2. Purpose of this sheet

We have always an effort to manage to take control of containing substances and to collect the newest information for our product. And we also disclose such information by means of describing SDS in accordance with domestic law.

However, we are requested to submit more detail information about containing specified chemical substances mainly in accordance with a foreign regulation a lot. That's the reason we made this sheet for response such request and for the supplement of our SDS.

3. Detail of containing specified chemical substance of the Product

Substances	Criteria	Existence or Usage
Cadmium and its compounds	More than 100ppm(0.01%) or intentionally added	Neither
Mercury and its compounds	More than 100ppm(0.01%) or intentionally added	Neither
Lead and its compounds	More than 100ppm(0.01%) or intentionally added	Neither
Hexavalent Chromium and its compounds	More than 100ppm(0.01%) or intentionally added	Neither
Polybrominated biphenyl(PBB)	More than 100ppm(0.01%) or intentionally added	Neither
Polybrominated diphenyl ether(PBDE)	More than 100ppm(0.01%) or intentionally added	Neither
Bis(2-ethylhexyl)phthalate) (DEHP)	More than 100ppm(0.01%) or intentionally added	Neither
